USED CAR EXCHANGE

Permit Us to Help You Decide

Doubtless you have been thinking for months of buying a good used car, but cannot decide exactly what you want. We will gladly advise you, giving you the benefit of our years of experience with used cars.

SOME ARE BETTER THAN OTHERS

The extent and class of service that the car has been subjected to is the big item to consider in buying a used car. We buy with discretion and you get the benefit. This feature combined with our custom of thorough overhauling and replacement of defective parts assures you of long and satisfactory service.

SELECT FROM THESE

We have an absolutely new Jordan Touring. We almost stole this car and it was equipped with wire wheels, cord tires, motor meter, bumper, etc. They asked \$3,000 for it, but we can sell it for \$2,450.

Another man was anxious to have a new Winton. So anxious that he gave us his last year's 7-passenger Winton with cord tires, etc., to repaint and sell for \$2,450.

This 1918 7-passenger Buick was a god buy. It looks like a new car, and runs perfectly. It is the only one we have, so hurry \$1,100.

Here is a repainted and overhauled Reo 4 that is an excellent buy. It will stand up under hard usage and will run good for a long time \$850.

All cars have a history. This one is short. A Tulsa Four, run only 1,200 miles. Good as new, but sells for \$750.

Used Chandlers are scarce, because the owners drive them a long time before they consider them a used car. A repainted Chandler Chummy, 1917 model, with new cord tires all around will sell at once for \$1,000.

Some one may want a good, strong, reliable 7-passenger car for country driving, so we have a Case 1917 model with new tires and in excellent mechanical condition for sale at \$575.

Think of a 1918 Briscoe that is in good mechanical condition, because it has had the best of care for \$475.
